PROFESSIONAL SUMMARY

Enthusiastic and detail-oriented aspiring Frontend Web Developer with a strong foundation in React.js and modern web technologies. Completed comprehensive courses and developed hands-on experience through GitHub projects, demonstrating proficiency in building responsive, user-centric web applications. Passionate about exploring innovative web technologies and continuously enhancing technical skills to deliver impactful digital solutions. Seeking an opportunity to contribute to dynamic teams and grow as a developer in a challenging Frontend role

SKILLS

Programming Languages – JavaScript | TypeScript

Frontend Development - HTML5 | CSS3 | Bootstrap 4 | ReactJS | Tailwind | JSON

Development Tools & Frameworks – DOM | Redux | Figma

APIs & Data Handling – RestAPIs

PROJECTS

- **Calculator** - Created a responsive calculator using HTML, CSS, and JavaScript, supporting basic arithmetic operations with real-time calculations. Designed a clean UI and hosted the project on GitHub to showcase technical skills.
- **TIC TAC TOE** - Developed an interactive Tic Tac Toe game using HTML, CSS, and JavaScript. Implemented game logic for two-player functionality, dynamic updates, and win/draw detection. Designed a responsive and engaging user interface, and hosted the project on GitHub to showcase technical expertise.
- **Speech To Text & Text To Speech** - Built a web-based application using HTML, CSS, and JavaScript to convert speech to text and text to speech. Integrated Web Speech API for real-time voice recognition and audio synthesis. Designed a user-friendly interface and hosted the project on GitHub to demonstrate expertise in web technologies.
- **Chat App** - Created a chat application using HTML, CSS, and JavaScript, leveraging local storage to save and display messages. Implemented features for message input, retrieval, and dynamic updates in a user-friendly interface. Designed a responsive layout and hosted the project on GitHub to demonstrate proficiency in front-end development.
- **To-Do List -** Developed a dynamic To-Do List application using HTML, CSS, and JavaScript. Implemented features to add, edit, delete, and mark tasks as completed, with data persistence using local storage. Designed a clean, responsive user interface and hosted the project on GitHub to showcase front-end development skills.

(More projects are available on my GitHub profile for further review.)

CERTIFICATIONS

Legacy JavaScript Algorithms and Data Structures – FreeCodeCamp

Programming with JavaScript - Coursera

EDUCATION

Bachelor of Computer Applications(BCA) – IBVE, Karnataka

PUC – Govt Independent PU college, Karnataka

SSLC – Poornachandra Public School, Karnataka

OTHER INFORMATION

Hobbies – Volley Ball, Travelling, Chess, Video Games

Strength –

- Strong and quick acquiring of new technologies.
- Ability to work in a team and individual environment.
- Positive approach and vision for growth and Leadership qualities.
- Good communication skills.
- Ability to work in harmony with Co-Workers.

PERSONAL INFORMATION

- **Date of Birth** – 15/07/1995
- **Languages** – Kannada, English, Hindi
- **Present Address** – Gokul Nivas, Nagappa street, Near Vinayaka circle, Palace Gutthalli, Bengaluru – 560003
- **Permanent Address** – S/O Vasantha Kumar, Channakavi Road, Kuvempu Nagar, Channarayapatna, Hassan – 573116

DECLARATION

I hereby declare that the above information's are true to best of my knowledge.
